EDUCATION

- 1998 **Ph.D.** (Health Economics), Johns Hopkins University School of Public Health, Department of Health Policy and Management
Baltimore, MD
- Dissertation: The effects of adolescent substance use on educational attainment, adult substance use, and the adult wage rate. (Advisor: Prof. David Salkever, Ph.D., Harvard University)
- 1993 **M.A.** The University of Chicago, Department of Economics
- 1992 **B.A.** (Magna cum laude), Cornell University, College of Arts & Sciences

EDUCATIONAL EMPLOYMENT

- 2011-present **Associate Professor**, Department of Economics, University at Albany
College of Arts and Sciences, State University of New York
- 2008-2011 **Assistant Professor**, Department of Economics, University at Albany
College of Arts and Sciences, State University of New York

ADDITIONAL EMPLOYMENT

- 2002-2007 **Health Economist**, Center for Multicultural Mental Health Research,
Cambridge Health Alliance-Harvard Medical School, and Instructor,
Department of Psychiatry, Cambridge Health Alliance-Harvard Medical
School
- 1999-2002 **Assistant Professor**, Department of Epidemiology and Social Medicine,
Albert Einstein College of Medicine/Montefiore Medical Center, and
Lecturer, Department of Health Policy and Management, Columbia
University School of Public Health
- 1998-1999 **Research Associate**, National Center on Addiction and Substance Abuse
at Columbia University

1997-1998 **Senior Analyst**, Health Services Research and Evaluation Area, Abt Associates, Cambridge MA

OTHER PROFESSIONAL APPOINTMENTS

2002-present **Research Associate/Faculty Research Fellow**, Health Economics Program, National Bureau of Economic Research, (Faculty Research Fellow 2002-2010, Research Associate 2011-present).

2009-present **Affiliate**, Center for Social and Demographic Analysis, University at Albany

HONORS AND AWARDS

Dean's Award for Outstanding Achievement in Teaching. University at Albany. 2017.
Excellence in Reviewing Award. Journal of Health Economics. 2017.
Excellence in Reviewing Award. Journal of Health Economics. 2013.
Adam Smith Award in Mental Health Policy and Economics Research. 2013.
Scholars in Medicine Fellowship. Harvard Medical School. 2005.
Adam Smith Award in Mental Health Policy and Economics Research. 2005.
Research & Development Award. Abt Associates. 1998.
Honorable Mention. John C. Hume Dissertation Award. Johns Hopkins University. 1998.
National Institute of Mental Health Training Grant. National Institutes of Health. 1993-1998.
Merrill Presidential Scholar. Cornell University. 1992.
Phi Beta Kappa. Cornell University. 1992.

4. “Methods for investigating costs and benefits of preventive interventions” with Christine M. Caffray, Marsha Lillie-Blanton, and Lisa Werthamer. In Bukoski, WJ & Evans, RI (Eds.): Drug abuse prevention through family intervention, National Institute on Drug Abuse Monograph, Number 177, 1998.
5. “Issues and methods in evaluating costs, benefits, and cost-effectiveness of drug abuse prevention programs for high-risk youth” with Christine M. Caffray, Claire Fienson, Marsha Lillie-Blanton, and Lisa Werthamer. In Ashery, RS, Robertson EB & Kumpfer KL (Eds.): Cost-benefit/cost-effectiveness research of drug abuse prevention: Implications for program and policy, National Institute on Drug Abuse Monograph, Number 176, 1998.

Manuscripts under Review in Peer Reviewed Journals

“Health Insurance and the Boomerang Generation: Did the 2010 ACA dependent care provision affect geographic mobility and living arrangements among young adults?” With Xiangshi Liu and Baris Yoruk. Under review at American Journal of Health Economics August 2019. NBER working paper 23700.

Work in Progress

“Medicaid physician fees and access to care among children with special health care needs.” With Sandra L. Decker and Jason Huh.

“Medical malpractice reforms and the location decisions of new physicians.” With Jerry Marschke and Siyang Li.* NBER Working Paper 24401.

“Malpractice reform and the sorting of physicians by physician human capital.” With Jerry Marschke and Siyang Li.*

“An exploratory study of the social and economic determinants of maternal morbidity in the US.” With Sara Markowitz.

“Does Seasonality of Birth Outcome Really Exist?: Evidence from Weather Conditions during Pregnancy.” With Jun Soo Lee* and Byoung Park.

“Medicare Part D prescription drug coverage and food security among the elderly” With Tu Nguyen.*

“Early effects of New York State paid family leave on child health.” With Barbara Dennison and Trang Nguyen.

OTHER SCHOLARLY ACTIVITY

Consultancies

Consultant, Development and Pilot Testing of the Students with Autism Accessing General Education (SAAGE) Model, Institute of Education Sciences (PI: Smith, T. University of Rochester), 2015-2018. Provided technical expertise on economic evaluation methodology.

National Advisory Board, Advanced Center for State Research to Scale Up Evidence-Based Practices for Children (PI: Hoagwood), National Institute of Mental Health (NIMH, P30), 2012. Provided technical expertise on economic evaluation methodology.

Consultant, Center for Prevention and Early Intervention (PI: Ialongo, N), National Institute of Mental Health (NIMH, P30), National Institutes of Health, 2011-2012. Helped design cost survey to be used in economic evaluation study.

Consultant, New York State Department of Health (Office of Mental Health and Prescriber Education Program team), 2011-2012. Assisted with econometric methodology to test whether prescriber education program was cost-effective.

Consultant, Center for Multicultural Mental Health Research at Harvard University/Cambridge Health Alliance, 2011. Assisted with econometric methodology for study on health disparities.

Consultant, National Assembly on School-Based Health Care, 2011-2012. Developed on-line cost data collection instrument for economic evaluation study.

GRANT FUNDING

Federal

Role: Co-Principal Investigator

Project: An exploratory study of the social and economic determinants of maternal morbidity in the US

Source: NICHD, National Institutes of Health

Time Period: 12/1/19-11/30/21

Direct Funding: \$100,000

Pending, Impact Score 35

Previously submitted to NIH, scored but not funded

Role: Principal Investigator

Project: Effectiveness of bicycle helmet laws in preventing injuries among youth

Source: NICHD, National Institutes of Health

Time Period: 2009-2011

Direct Funding: \$100,000

Role: Co-Investigator

Project: Exploratory Center on Minority Health and Health Disparities in Smaller Cities

Source: NIH National Center on Minority Health and Health Disparities (NCMHD, P20) (PI: Lahiri, K (project 3), Schell, L (grant))
